Dear Coaching Legends,

Miles Elementary is so incredibly happy about your donations. With the increase of students in need steadily growing each year, sponsors like you are what keep us going! At Miles, it is a constant pressure to make sure that basic needs are met, especially at the beginning of the year. This year, we received socks and underwear which is going to meet another need here at Miles Elementary. Last year because of your generosity, we were able to provide students with jackets as well!

Your generous contribution helped make our vision a reality by helping our students in a way that they will be so grateful for. You really do help make a difference! Without your help, this would not have been possible.

Please know that our sponsors, business partners, and community members are a part of what helps our students reach their goals. Thank you again for your generosity and for continuing to support Miles Elementary. We look forward to receiving jackets for the winter season from your group, they went a long way last year! On behalf of the students, parents, faculty, and staff, we thank you. ☺

Sincerely,

Christopher R. Fonteyn, Principal
