Miles Elementary School

Mission: To provide at least a years' growth in a years' time.

Vision: Success for every child.

Dear Coaching Legends,

August 18, 2015

Our school is so very appreciative of the generous donation that we received today! Here at Miles we are in need of items to help students be successful. The socks and undergarments that are provided by your group are utilized to help our students continue their instruction throughout the school day. Keeping our students here on campus greatly increases their opportunity to learn key concepts within their grade level.

Our business sponsors, community and outside organizations allow us to assist our students who are in need of basic supplies. Thank you again for your generosity and for continuing to support Miles Elementary! On behalf of the students, parents, faculty, and staff, we thank you. We look forward to working with you and your group throughout this 2015-2016 school year!!

Sincerely,

Christopher R. Fonteyn, Principal
